SUBJECT.

Presidentship of the [illegible]

From

Palace Officer,

SO No. 115 Dated 27th January 1905

From the time of the retirement of Mr. N. Narsimmiengar, late Palace Controller, the Presidentship of the Mysore Sanskrit College Committee has been vacant, as it was not certain whether that office devolved exofficio on his successor, Mr. B. Ramakrishna Rao, Officer in charge of the Palace Establishments. Search has been made in this Office records for any papers that may throw light on the subject and the few papers that have been found are herewith put up.

2. It has been ascertained that on no occasion have separate distinct orders been passed appointing any Palace Officer or Controller as President of the College Committee. The Palace Officer appears to have exercised the functions of the

MGCPB—500—21-1-05

latter Office as a matter of course. The original authority for this appears to be the order of His Highness the late Maharaja dated 27th October 1885, passed upon a note submitted by the late Dewan to the effect that the Assistant Commissioner in charge of the Palace Establishments and the Assistant Commissioner in waiting upon His Highness the Maharaja will administer the funds relating to certain Palace charities viz, the Maharaja's Chattram and the Maharaja's Sanskrit College, and that the advice and co-operation of the Palace Dharmadhikaries may be secured for the purpose in such manner as may be found necessary. Accordingly the several Palace Officers and Controllers were exercising the functions of President of the Mysore Sanskrit College without any special orders from Government in that behalf, and four of the Dharmadhikaries are even now on the Committee and also draw pay from the College funds.

Under these circumstances it is my humble opinion that the present Palace Officer, Mr.R. Ramakrishna Rao may be appointed Ex-Officio President of the Mysore Sanskrit College Committee, and to avoid doubt on the point, an order may be issued to that effect.

It is well known that Mr. R. Ramakrishna Rao takes much interest in Sanskrit Literature and that his management will be beneficial to the Institution.

A draft Order is put up.

Palace Controller

Mysore

Mr. A. Mahadeva Sastri has returned to me the day an Off. memo sent to you from this Office as also the Cover in which it had been enclosed. I find that on this Cover which has been addressed to the "President: H.H. the Maharaja's Sanskrit College Committee, Mysore" you have noted a remark to the effect that you are not the President ~~of the College Committee~~.

On reference to the College papers you will find that the Palace Controller is the ex-officio President of the Managing Committee of the Institution. Your predecessors have all been holding the position of the President and I thought you had also accepted the same position with reference to the College and had been disposing of the College papers in the Capacity of the President—

of the Managing Committee

Is it not so for do

I herein enclose
the Offl memo and the
cover under advertence
